**Total Units Achieved for Minor**

**Advisor Notes:**

The 18- unit Minor in Dance is not a requirement for any credential or degree but is intended to give students the opportunity to pursue an interest in dance in an organized and sequential manner. Students may elect to complete a Minor in Dance if it is possible to complete the minor and a major within 120 units. At least eight units must be upper division courses. No more than half the units in the minor may be transfer units. *Students completing a minor automatically satisfy the GE Complementary Studies requirement.*
