Scenic Rentals

Creative Arts 123

In order to rent stock scenery from the SFSU Scene Shop, the renter must have scheduled a rental appointment at least 24 hours in advance.

Tuesday is the rental day for Props and Scenery.

The renter must come to the scene shop (CA 123) prepared with;

- A rough Groundplan
- At least one other person to help them move the scenery
- Appropriate footwear (No open toed shoes)

There must be at least 1 individual picking up the scenery who has gone through the Basic Scenic Training Course. This is a 4 hour course provided at the beginning of every semester that covers the basics of creating and reading groundplans, safely moving flats and using jack braces to support flats.

Individuals who have taken THA 310 (Offered F2023-Ongoing) or THA 302 (Offered F2020S2023) are expected to have experience that is equivalent to or greater than the Basic Scenic Training Course and as such are able to rent scenery without attending the Basic Scenic Training Course.

Upon rental of the scenery, the renter is allowed to paint the scenery, however, they cannot add texture to it. Use of nails is prohibited with rented scenery and will be considered as damage.

Any damages to the scenery will cause the revocation of rental privileges for the individual who was responsible for renting the scenery until the time they can repair/resupply the stock that was damaged.

To request an appointment in the scene shop or to RSVP/Request the Scenic Training Course, please email Carsonblickenstaff@sfsu.edu
